

PATRICIAN

Shoe for Women

A WOMAN thinks of her appearance before everything else. She wouldn't be a woman if she did otherwise. She must obey the dictates of fashion. And fashion, by the way, is just as imperative in the matter of footwear as in the other requirements of the feminine wardrobe.

THE best gowned women in America—women who are acknowledged style leaders wear "Patrician." No other shoe satisfies their ideals quite so well.

"PATRICIAN" is the last word in shoe-craft for femininity. Original in conception, beautiful in design, and superbly dainty in finish, it leaves absolutely nothing to be desired in the way of appearance.

AND not only does "Patrician" please the eye—it pleases the foot as well. Constructed in a way that gives to the body perfect poise and the foot a springy, elastic step. Fits snugly without pinching. Soft, pliable, yielding, yet stout and strong enough to give a world of wear.

ONLY when you have seen the new Fall and Winter Models can you fully appreciate the beautiful proportions secured by a combination of the Frenchy short vamp and this season's gracefully modeled uppers.
